

Apply Now!

1. [Click to Create an Account](#)

To begin the application process, please click the "Create an Account" tab at the top of this page to create an application account. From there, you will be instructed to create a login, password, and verify your email via a message to your email account.

2. [Click to Start Application](#)

You have the flexibility to log in and out of your application account without losing your data as it will autosave. There will be a green check mark for each section once you have completed all required fields.

3. Review and Submit Application

Once all required fields of the application are complete, you must select "Review and Submit."

4. [Click to Start Enrollment](#)

Once the application has been approved you will receive an email to do the Enrollment Portion. Once here, you will click on Family Portal Login and **CREATE AN ACCOUNT!** The account that was created for the Application Portion does **not** transfer over to the Family Portal, however you **must** use the same email address so your child will show in the Enrollment Portion.

****District Code is: ga-ne**

5. Review and Submit Application

Once all required fields of the enrollment are complete, you must select "Review and Submit."
