Guardian Angels Central Catholic is requesting proposals for labor and materials of the following construction projects on and within the campus buildings:

- Remodel of two bathrooms in the high school
- Remodel of two junior high/guest locker rooms in the activities center
- Tuck point masonry at the high school, elementary school, and activities center
- Addition of insulation in the attic of the elementary building
- Reseal windows in the elementary building
- Miscellaneous partition walls in the school buildings
- Gutters and downspouts

If you're interested in providing construction services for any of these listed projects, please follow this process:

1. Call GACC School President John Naatz at 402-372-5326 between 8:00 am and 3:30 pm, Monday – Friday. John will take your contact information and note which project(s) you're interested in.
2. A member of the school facilities committee will then call you to arrange a time and meet you at the school to look at the respective project(s).
3. Submit a proposal outlining a detailed scope of work, construction timeline and completion date, and budget for labor and materials no later than 3:00 p.m. on Monday, April 1, 2024 to:  
Guardian Angels Central Catholic  
Attn: John Naatz, School President  
419 E. Decatur St.  
West Point, NE 68788
4. GACC's School President and School Facilities Committee will review all proposals and make a recommendation to the school board for approval.
5. Bids will be awarded no later than April 19th, 2024.
