

Supportive Parents Association Paper Trailer Fundraiser

SPA is a committee of parent volunteers dedicated to supporting our teachers and students of GACC. While the SPA committee meets to ensure forward progress, it is help from all parents/guardians that drive the success for our school. One of our fundraisers to ensure we can complete our mission is recycling paper and cardboard.

All families are listed to help with our monthly paper drives on a rotating basis. One family member per family group is sufficient, but all are welcome. It is crucial that someone from the family shows up to help on your assigned paper trailer date.

- Paper Trailer is located on the corner of Mill and Wisner Streets, 2 blocks west of Pizza Hut, then look south
- All paper drives are the dates listed below, 8am-10am
- On your assigned work day, you will help unload paper from people's vehicles and stack it in the semi trailer while ensuring we are adhering to the paper trailer guidelines listed at the end of this document.
