Starting Balance August: \$15,831.42

Ending Balance August: \$22,437.63

Motion to approve August finances by Sarah and second by Donna.

Member comments/discussion -

Old Business:

- A. Pasture Golf - Michelle Cohee is chairing this. Contact her if you would like to enter a team. \$250 per team of 4. The booster club will donate a small basket or pin prize for the event.
- B. ATM at the activity center - Shea was approached about having an ATM donated to put in the activity center and we could collect the fees generated by it. We would control how much money is stocked in it and set withdrawal limits. We can think about it and decide at a later date. It would take a few months to get the machine.
- C. Tailgates - Softball tailgate money was combined with the concession stand money so hard to get a total. They sold out of 180 burgers and 50 brats. The football tailgate brought in \$1683.
- D. Football scoreboard - It's not here yet. It's already paid for.
- E. FFA Alumni Tailgate - Shea met with the FFA alumni members (Chad and Lee). They will do the last home football game tailgate. They will organize and work it. They would like to recoup some of their food costs and the rest of money donated would go to the Booster Club.

New Business:

- A. Jayrun - Fundraiser is kicking off now. Packets were sent home with kids this week. The Pledgestar website is set up and ready to go.
- B. Backpack fundraiser (Tiffany) - Tiffany reached out to a person named Bennie Oliver from Pender with Huff Sports. We have worked with them for various other items. The backpack is totally customizable including colors, design, name and logo. Would retail for \$75-85. 12 bag order minimum. 4 week turn around. Would all ship together and we would distribute them. Would be ideal

to close orders mid-October. If we do one order in the future we would not need a minimum to order. Tiffany will have them mock up a design.

AD Business

- A. Softball tournament concession stand adult help - Need one adult for each shift. Shea will send out a text to find help.

Meeting motion to adjourn at 8:52pm. Amy motioned to adjourn and Laura seconded the motion.

Next meeting:

Monday, October 14th at 7pm

Monday, November 11th at 7pm

Monday, December 9th at 7pm
